Retail List

First of all, we wish to thank our customers for a most gratifying business during the past year.

We have another splendid crop of bulbs for this year, healthy and well cared for, and orders can be filled promptly.

We are discontinuing the more expensive catalog this season and instead, will issue two or three of these lists, probably one at digging time, a midwinter or early spring list, and then any special offers we might have to make.

Upon orders of \$10.00 and up- 15%. If received before Feb. 15th- 25%

The above discounts in addition to extra bulbs on all orders - the amount of extras depending on the size of the order.

We offer the extra discount up to Feb. 15th to encourage you to order early, so that we may spread our work over a longer period of time and give you better service.

The above discounts do not apply to wholesale orders.
